# LONG-TERM MEDICAID SERVICES AND EXPENDITURES FORECAST

FY 2021-22 through FY 2026-27

SOCIAL SERVICES ESTIMATING CONFERENCE JANUARY 10, 2022

Results as Revised January 26, 2022 Adjusted for PHE extension effective January 16, 2022 affecting quarters through June 30,2022

NOTES:--This forecast accounts for the Medicaid caseload growth previously adopted. Current projections include a 6.2% enhanced FMAP through 3/31/2022 per the Families First Coronavirus Response Act. The public health emergency was extended into FY 2021-22 which would result in a reduction in state funds needed from this estimate. Reductions in federal Disproportionate Share Hospital Funding due to the Affordable Care Act have not been included as the federal Centers for Medicare & Medicaid Services (CMS) have only released amounts and methodology that will be used in calculating state reductions. Currently, the DSH reductions are set to go into effect in 2024 unless federal action is taken. The forecast adheres to federal waiver authority for the size of the Low Income Pool (LIP) for FY 2021-22 which is currently set to expire June 2030 and is contingent upon approval of a budget amendment per the General Appropriations Act. The forecast assumes continuation of Intergovernmental Transfers (IGTs) from local taxing authorities. The forecast also assumes continuation of IGTs for DSH based on historical collections for this purpose for FY 2021-22 through FY 2026-27. While IGT collections for LIP and DSH have no impact on managed care plan capitation rates, the SSEC strongly cautions that IGTS for these purposes may be at risk beginning in FY 2021-22 and may result in lower supplemental payments to providers.

## SOCIAL SERVICES ESTIMATING CONFERENCE OF January 10, 2022

	Terminology
Eligible Population	Average monthly number of enrolled Medicaid individuals qualified to receive the specified services
Utilization Rate	Average monthly percentage of the eligible population that utilized the specified services
Services/Month	Average monthly number of times the specified services were rendered to individuals in the eligible population
Unit Cost	Average cost per service provided
Cost per Eligible	Average cost per month per individual in the eligible population
Total Cost	Total cost of providing the specified services to the eligible population in the given state fiscal year
