Workforce Estimating Conference January 9th, 2012

ACTION MINUTES

The Workforce Estimating Conference met on January 9, 2012. The agenda included an update from the Florida Department of Economic Opportunity on Florida's labor market conditions and the demand for bachelor's degrees, as well as a review of the proposed list of targeted occupations for occupations requiring a bachelor's degree. The Board of Governors also provided an update of the state university system strategic planning efforts relating to specific degree production.

Handouts from the meeting are posted at: http://edr.state.fl.us/Content/conferences/workforce/index.cfm.

The proposed list of targeted occupations was based on revised bachelor's degree occupation criteria. Both the list and the criteria were approved by the conference, including criteria used to define STEM occupations (Science, Technology, Engineering and Math). The list, "2012-13 High Demand Occupations Requiring a Bachelor's Degree", included 40 occupations. Approximately 40% of the occupations were identified as STEM occupations. The approved criteria are shown below.

Bachelor's Degree Occupation List Selection Criteria:

| 1. Training Level: | Bachelor's Degree |
|-----------------------------------|---|
| 2. Annual Openings & Growth Rate: | 50 annual openings with average growth rate of 1.62% OR |
| | 150 annual openings with any positive growth |
| 3. Mean Wage & Entry Wage: | Mean wage \$50,000/year; Entry wage \$35,000/year |

To support its designation of STEM occupations, the conference requested additional information on the STEM classification process.

The conference also requested department staff to develop an additional occupations list for master's degrees and above. The recommended criteria are shown below:

Master's Degree and Above Occupation List Selection Criteria:

| 1. Training Level: | Master's Degree and Above |
|-----------------------------------|---|
| 2. Annual Openings & Growth Rate: | 50 annual openings with average growth rate of |
| | 1.62% OR |
| | 150 annual openings with any positive growth |
| 3. Mean Wage & Entry Wage: | Mean wage \$60,000/year; Entry wage \$42,000/year |

The next meeting of the Workforce Conference will be scheduled in February of 2012 and will include a presentation of the Master's Degree or Higher occupations list for potential adoption and a presentation on demographic implications for the labor market though 2030 for information.

2012-13 High Demand Occupations Requiring a Bachelor's Degree

Sorted by Occupational Title

Workforce Estimating Conference Selection Criteria:

- 1 FLDOE Training Code 5 (Bachelor's Degree)
- 50 annual openings and average growth rate of 1.62 percent or higher or 150 annual openings with any positive growth
- 3 Mean Wage of \$24.04/hour (\$50,000/year) and Entry Wage of \$16.83/hour (\$35,000/year)

| Coccupations in bold are found in industries that have experienced job decilines in the secondaria that began in 2007. These occupations may currently have an oversupply of trained workers, but are projected to have strong demand over the long term. 132011 | | | Annual | | | | FLDOE | |

†SOC Code and Occupational Title refer to Standard Occupational Classification codes and titles.

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, January 2012.

^{*} Entrance into the occupation can be obtained with either an associate's degree or a bachelor's degree. Due to the strong labor market demand for registered nurses, this occupation is being recommended for targeting by both the workforce system (2 years or less programs) and by the four year degree institutions as well.

^{**} Entrance into the occupation is typically obtained with a bachelor's degree accompanied by relevant work experience.

Occupations Added to 2012-13 High Demand Occupations Requiring a Bachelor's Degree

Workforce Estimating Conference Selection Criteria:

- 1 FLDOE Training Code 5 (Bachelor's Degree)
- 2 50 annual openings and average growth rate of 1.62 percent or higher or 150 annual openings with any positive growth
- 3 Mean Wage of \$24.04/hour (\$50,000/year) and Entry Wage of \$16.83/hour (\$35,000/year)

Workforce Estimating Conference

Knott Building
Room 117
January 9, 2012
10:00 am
1-888-808-6959
Pass Code 6724792 #

Agenda

Welcome and Opening Remarks

Amy Baker, Economic and Demographic

Research (EDR)

Florida Labor Market Update Rebecca Rust, Department of Economic

Opportunity (DEO)

Labor Market Demand for Bachelor's Degrees Bill Dobson, DEO

Targeted Occupations Lists for Bachelor's Degrees Bill Dobson, DEO

Other Items, Closing Remarks Amy Baker, EDR

Principals of the Workforce Estimating Conference:

Conference Chair: Amy Baker, Economic and Demographic Research

Kurt Hamon, Florida Senate, Education Appropriations Committees
Phillip Miller, Executive Officer of the Governor, Transportation and Economic Development Unit, OPB
Allyce Heflin, Florida House, Education Appropriations Committees

Florida Labor Market and Economic Update

Workforce Estimating Conference

Labor Market Statistics Center January 9, 2012

Labor Force Conditions

Seasonally Adjusted November 2011

- Florida's unemployment rate has declined from the all time high of 12.0 percent in December 2010, and over the year for nine consecutive months
- Florida's November 2011 unemployment rate was the lowest since May 2009

| Area | Labor Force | Employment | Unemployment | Unemployment Rate | Year Ago Unemployment Rate |
|---------------|-------------|-------------|--------------|----------------------|----------------------------------|
| Florida | 9,228,000 | 8,303,000 | 926,000 | 10.0 | 11.9 |
| United States | 153,883,000 | 140,580,000 | 13,303,000 | 8.6 | 9.8 |

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, Local Area Unemployment Statistics Program, in cooperation with the U.S. Department of Labor, Bureau of Labor Statistics, released December 16, 2011.

Labor Market Demand for Bachelor's Degrees

Workforce Estimating Conference

Labor Market Statistics Center January 9, 2012

Labor Market Statistics

Employment by Education Level

General Information

- Employment counts by education level represent the number of jobs with a particular education requirement. This is not the education level obtained by employees working in the occupation.
- Education requirements for occupations are based on training codes assigned by the Florida Department of Education (DOE) to each Standard Occupational Classification (SOC) Code/Title.
- Florida DOE training codes were assigned to the national occupational employment projections for comparison purposes.
- For occupations where multiple training levels can be sufficient for employment in an occupation (i.e. registered nurse), the employment data are counted in the lowest level of training required.

2011 Employment by Training Level Florida vs. the Nation

Florida's employment with bachelor's degrees is a smaller share than the nation

CC Cert. = Community College Certificate/Degree
PSAV = Postsecondary Adult Vocational Certificate

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, and U.S. Department of Labor, Bureau of Labor Statistics.

2011 Employment by Training Level

The vast majority of Florida and U.S. jobs do not require a bachelor's degree

CCCV = Community College Credit/Vocational

PSAV = Postsecondary Adult Vocational Certificate

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, and U.S. Department of Labor, Bureau of Labor Statistics.

Percent of Jobs Requiring a Bachelor's Degree by Industry Florida 2011

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, released October 2011.

Number of Jobs Requiring a Bachelor's Degree by Industry Florida 2011

 The number of bachelor's degree occupations is highest in education and health services, professional and business services, self-employment, and government

Source: Florida Department of Economic Opportunity, Labor Market Statistics Center, released October 2011.

Employment by Training Level 2011 vs. 2019

The proportion of bachelor's degree occupations in Florida's workforce will not change significantly between 2011 and 2019

Florida Job Growth Rates by Training Level 2011-2019

CCCV = Community College Credit/Vocational
PSAV = Postsecondary Adult Vocational Certificate

Florida Job Growth by Training Level 2011-2019

Jobs requiring a bachelor's, master's, or higher will have less numerical growth than other education levels.

CCCV = Community College Credit/Vocational

PSAV = Postsecondary Adult Vocational Certificate

Percent Share of New Jobs by Training Level 2011-2019

The proportion of new jobs that require a bachelor's degree will be higher in the U.S. than in Florida

CCCV = Community College Credit/Vocational
PSAV = Postsecondary Adult Vocational Certificate
