## Notes:

1) The adjusted population estimates exclude the estimated number of inmates and patients in institutions operated by the federal government, Florida Departments of Corrections, Health, and Children and Family Services as of April 1, 2020. Pursuant to s. 186.901(2)(b), F.S., for the purpose of revenue-sharing distribution formulas and distribution proportions for the Local Government Half-cent Sales Tax Program, inmates and patients are not be considered residents of the governmental unit in which the institutions are located.

2) Pursuant to s. 186.901(1), F.S., the Office of Economic and Demographic Research provides the Executive Office of the Governor with population estimates for municipal annexations or consolidations occurring during the period of April 1st through February 28th, and the Executive Office of the Governor includes these estimates in its certification to the Department of Revenue for the annual revenue-sharing calculation.

3) The population estimates were adjusted to reflect the population effects of any population corrections, municipal incorporations and disincorporations, and municipal annexations and de-annexations that occurred during the period of April 1, 2021 through February 28, 2022. The column "Adjusted Total Population Used for State Revenue Sharing" reflects all these adjustments.

5) The population estimates in this table are those reflected in the 2022 Florida Annexation Report with 2021 Population Estimates, dated June 7, 2022, emailed to the Governor's Office of Policy and Budget by the Office of Economic and Demographic Research.
