(A) It is anticipated that a transfer of funds from the Working Capital Fund to the General Revenue Fund will be made by the Administration Commission prior to the end of the fiscal year under the authority provided in s. 215.32, F.S. to eliminate any deficit which might occur.

Note: This financial statement is based on current law as it is currently administered. The state is involved in a number of lawsuits which could have an effect on these revenue estimates or have appropriations consequences. The Attorney General periodically issues an update on the status of any such litigation.
