FOOTNOTES

(A) The FY 2008-09 beginning balance in the Budget Stabilization Fund is \$1353.7 million. These figures do not include hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF which must be repaid (EOG #483 for FY 2004-05 of \$11.0 million and EOG #205 for FY 2005-06 of \$11.8 million). At the time of this statement \$8.9 million remains to be repaid. Per Section 77 of the 2008 General Appropriations Act, \$672.4 million was transferred to the General Revenue Fund in September.

(B) With regard to any potential deficit, Section 77 of the 2008 General Appropriations Act provides as follows- "Consistent with the provisions of section 216.221, Florida Statutes, relating to legislative direction in the General Appropriations Act regarding the use of state funds to offset General Revenue Fund deficits, and the provisions of section 216.222, Florida Statutes, relating to the transfer of funds from the Budget Stabilization Fund to the General Revenue Fund to offset deficits in the General Revenue Fund, in the event a deficit in the General Revenue Fund is certified pursuant to s. 216.221, Florida Statutes, for the 2007-2008 fiscal year or the 2008-2009 fiscal year, the following transfers are authorized, subject to approval by the Legislative Budget Commission:

(a) Funds from the Budget Stabilization Fund to the General Revenue Fund to address a deficit before any other action is taken pursuant to section 216.221, Florida Statutes. Such transfer or transfers, in the aggregate, shall not exceed the lesser of the amount of the deficit or deficits or one half of the cash balance of the Budget Stabilization Fund on May 1, 2008; and

(b) If the transfers authorized under paragraph (a) are insufficient to address a deficit in the General Revenue Fund, funds from the Lawton Chiles Endowment Fund to the General Revenue Fund to address a deficit in lieu of any other actions taken pursuant to sections 216.221 and 216.222, Florida Statutes. Such transfer or transfers shall not exceed the lesser of the amount of the deficit remaining after the transfers authorized by paragraph (a) or \$1,000,000,000."

(C) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any deficits in any spending programs unless specifically stated.

(D) Revenues already and expected to be received through the gaming agreement for enhanced gaming activity on Indian reservations are not included in this outlook statement, due to pending legal action surrounding the agreement. In FY 2007-08, \$60.4 million was received, with expectations of \$77.1 million in FY 2008-09, \$150 million in FY 2009-10, and \$129.2 million in FY 2010-11 under the agreement. Recurring revenues are expected to be at least \$100 million. In addition, an indeterminate negative impact is expected on Sales Tax, Slot Machine Tax, and Lottery revenues.
