FOOTNOTES

- (A) The cash balance in the Budget Stabilization Fund (not shown here) at the time of this statement was \$274.7 million. This figure does not include the full repayment of hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF (EOG #2004-0483 for \$11.0 million and EOG #2005-0205 for \$11.8 million). At the time of this statement \$6.6 million remains to be repaid.
- (B) The amount of \$1,072.4 million was transferred out of the Budget Stabilization Fund to the General Revenue Fund in FY 2008-09. Section 215.32(3) F.S. stipulates that repayments to the fund are appropriated in five equal installments beginning in the third year following the year in which the expenditure was made, unless otherwise established by law. Per the aforementioned statute, repayment would begin in FY2011-12 with annual installments in the amount of \$214.5 million.
- (C) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any deficits in any spending programs unless specifically stated.
- (D) Senate Bill 788 (2009) authorizes the transfer of any Indian Gaming revenues already received by the state to the Educational Enhancement Trust Fund once the Legislature ratifies the Governor's execution of a Compact and the U.S. Department of Interior approves such ratification; those receipts (totaling \$137.5 million through FY 2008-09) are not included here.
