FOOTNOTES

(A) The cash balance in the Budget Stabilization Fund (not shown here) at the time of this statement was \$708.8 million. This balance does not include the transfers indicated in footnote (B), which will bring the total to \$923.3 million in FY 2013-14. This figure also does not include the full repayment of hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF (EOG #2004-0483 for \$11.0 million and EOG #2005-0205 for \$11.8 million). At the time of this statement \$1.5 million remains to be repaid.

(B) The amount of \$1,072.4 million was transferred out of the Budget Stabilization Fund to the General Revenue Fund in FY 2008-09. Section 215.32(3) F.S. stipulates that repayments to the fund are appropriated in five equal installments beginning in the third year following the year in which the expenditure was made, unless otherwise established by law. Per the aforementioned statute, the repayments were appropriated for FY 2011-12, FY 2012-13, and FY 2013-14 and two additional repayments in the amount of \$214.5 million will be required for FY 2014-15 and FY 2015-16. The FY 2013-14 repayment is authorized in Section 94 of SB 1500.

(C) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any projected deficits or surpluses in any spending programs unless specifically stated.

(D) The Total Funds Available do not contain the cash impact of pending refund requests related to the settlement reached in re: AT&T Mobility Wireless Data 265 Services Sales Litigation, 270 F.R.D. 330, (Aug. 11, 2010). These refunds were previously estimated to total as much as \$158.2 million. If approved by the Department of Revenue, the refunds will affect the Gross Receipts Tax, the State Communications Services Tax, and the Local Communications Services Tax; however, the timing and final amounts of the refund payments are currently unknown and could vary substantially from previous estimates.

(E) This estimate anticipates that the operation of slot machines will remain limited to eight pari-mutuel facilities in Miami-Dade and Broward counties. If additional slot machine operations or other casino-style gaming are authorized in other locations in Miami-Dade or Broward counties or in locations elsewhere in the state, payments to the state under the Gaming Compact Between the Seminole Tribe of Florida and the State of Florida may be reduced.

(F) The 2012 General Appropriations Act transferred \$350.0 million from the Lawton Chiles Endowment Fund to the General Revenue Fund. House Bill 5301 (Chapter 2012-33, Laws of Florida) requires that an amount equal to the amount of Medical-Hospital Fees collected above the January 2012 revenue estimate be transferred back to the Endowment in the following fiscal years until repayment is complete. The estimates of repayments for the term of this outlook statement are zero for FY 2014-15, FY 2015-16 and FY 2016-17.

(G) As a result of the consent judgment entered into by the Florida Attorney General on April 4, 2012, in the case of United States of America, et al. v. Bank of America Corp., et al., No. 305 12-0361-RMC, a total of \$274.1 million has been deposited to the General Revenue Fund to be used pursuant to the settlement agreement. Deposits were made in 3 separate installments: \$34 million (June 2012), \$40 million (December 2012), and \$200.1 million (June 2013). The first two deposits totaling \$74 million were included as revenue pursuant to the March 15, 2013 estimating conference. The June 2013 deposit of \$200.1 million is included in this outlook as non-recurring General Revenue, consistent with previous deposits, and for the purpose of reflecting the provision in SB 1852 (Ch. 2013-106, L.O.F.) appropriating the \$200.1 million in Fiscal Year 2012-13, contingent on \$200.1 million being deposited into the General Revenue Fund.
