Explanation of Data Sources and Calculation of Metrics

Note: Twenty municipalities highlighted in yellow did not submit during the 2025 reporting cycle. Although the data for these municipalities are not available for this reporting cycle, data collected from prior reporting cycles or compiled by EDR are available. The City of Hastings (St. Johns County) and the City of Weeki Wachee (Hernando County) were disincorporated in 2018 and 2020, respectively. Therefore, data for these jurisdictions are no longer included in the data set. The City of Westlake (Palm Beach County) and the Village of Indiantown (Martin County) were incorporated in 2016 and 2017; therefore, data for these jurisdictions are not available for all fiscal years. FY 2023-24 AFR expenditures are still being compiled. When the compilation is completed, this file will be updated.

Government Spending Per Resident Metrics

For each fiscal year, the metric was calculated with the relevant data using the following formula: (Total Expenditures - Other Uses & Non-Operating) / Municipal Population Estimate .
For the 2024-25 and 2025-26 fiscal years, the relevant budgeted expenditures by category, as reported during the 2025 reporting cycle, were used.
For the 2014-15 through 2023-24 fiscal years, the relevant actual expenditures by category, as reported in Annual Financial Reports, were used.

Government Debt Per Resident Metric

For each September 30th date, the metric was calculated with the relevant data using the following formula: (Total Debt / Municipal Population Estimate).
For the September 30, 2025 figures, the total cost to pay off current debt obligations, as reported during the 2025 reporting cycle, was used.
For the September 30, 2024 figures, the total cost to pay off current debt obligations, as reported during the 2024 reporting cycle, was used.
For the September 30, 2023 figures, the total cost to pay off current debt obligations, as reported during the 2023 reporting cycle, was used.
For the September 30, 2022 figures, the total cost to pay off current debt obligations, as reported during the 2022 reporting cycle, was used.
For the September 30, 2021 figures, the total cost to pay off current debt obligations, as reported during the 2021 reporting cycle, was used.
For the September 30, 2020 figures, the total cost to pay off current debt obligations, as reported during the 2020 reporting cycle, was used.
For the September 30, 2014 through 2019 figures, the total cost to pay off current debt obligations, as reported during the 2019 reporting cycle (or the 2020 reporting cycle if not reporting in 2019), was used.

Affordable Housing Expenditures Metric

For the 2025-26 fiscal year, the relevant budgeted expenditures, as reported during the 2025 reporting cycle, were used. The metric reflects the sum total.

Median Household Income in the Past 12 Months Metric

Data Source: U.S. Census Bureau (2020-2024). Median Household Income in the Past 12 Months (In 2024 Inflation-adjusted Dollars). American Community Survey 5-Year Estimates. (Table B19013) Retrieved from <https://censusreporter.org>

Average Salary of Regular or Permanent Employees Metric

For the 2025-26 fiscal year, the metric was calculated with the relevant data using the following formula: (Total Salary / # of FTE Employees).

% of Budget Spent on Salaries & Benefits Metric

For the 2025-26 fiscal year, the metric was calculated with the relevant data using the following formula: [(Regular or Permanent Employees: Total Salary + Total Benefits) + (Seasonal and Temporary Employees: Total Salary + Total Benefits)] / (Total Expenditures - Other Uses & Non-Operating).

# of Active Dependent and Independent Special Districts Metric

Data Source: Florida Department of Economic Opportunity, Special District Accountability Program, Official List of Special Districts, customized list created and downloaded from https://specialdistrictreports.floridajobs.org/OfficialList/CustomList (i.e., active dependent and independent special districts as of April 9, 2026). Each municipality's figure reflects the sum total of active dependent and independent districts that operate within the municipality's jurisdiction and/or the municipality is named as the district's local government authority. These figures are based on EDR's review of the Department's special district database.

Municipal Population Estimates - Excluding Inmates

Data Source: "Florida Estimates of Population" (2014-2025), Bureau of Economic and Business Research, University of Florida.

		Government Spending Per Resident Local Fiscal Years 2014-15 to 2025-26												Government Debt Per Resident September 30, 2014 to September 30, 2025												Total Affordable Housing Expenditures	Median Household Income in the Past 12 Months	Avg.
