

## **SB 1094 – Trespass on Airport Property (Identical HB 523)**

This bill amends s. 810.09, F.S., creating an **unranked, 3<sup>rd</sup> degree felony** for trespassing on a properly identified “operational area” of an airport with the intent to injure a person, damage property, or impede the operation/use of an aircraft, runway, taxiway, ramp, or apron area.

Per DOC, in FY 16-17, 65 (adj) offenders were sentenced for a trespassing on property other than structure or conveyance, with 3 (adj) receiving a prison sentence (mean sentence length=23.3 m, incarceration rate: 4.6% adj-5.1% unadj). Two of those sentenced to prison received that sentence due to being armed with a dangerous weapon while trespassing, and one was trespassing on a construction site.
