

EXECUTIVE SUMMARY
Revenue Estimating Conference for the General Revenue Fund
March 9, 2010

Since the December General Revenue Estimating Conference, underlying collections have been virtually on estimate with some sources performing above estimate and others below. In response, the Revenue Estimating Conference has made minor adjustments to its near-term forecast. Fiscal Year 2009-10 has been revised upward by \$25.3 million or less than 0.2% above the estimate from December. For Fiscal Year 2010-11, expected revenues were increased by \$56.1 million or less than 0.3% above the earlier forecast.

The increased current year estimate, in addition to revenue measures enacted during the 2009 legislative session, will continue to result in estimated general revenue collections for Fiscal Year 2009-10 that exceed those collected in Fiscal Year 2008-09, marking the end to three consecutive years of decline. Today's Fiscal Year 2009-10 revenue estimate is \$31.3 million above Fiscal Year 2008-09. The Fiscal Year 2010-11 forecast remains positive with projected growth of 6.7% over the revised Fiscal Year 2009-10 estimate.

Overall, the adjustments to the forecast are indicative of an economy that is stabilizing. In this regard, the revisions fine-tune the previous revenue projections, taking into account the overages received since the last forecast --- and recognizing the adjustments to the economic forecast next year. Specifically, revenue collections are affected in the following ways:

- **Sales Tax...** Better than expected sales tax receipts enabled upward revisions to several of the categories that comprise Sales Tax receipts. Cumulatively, the revisions total an addition of \$95.5 million in 2009-10 and \$30.4 million in 2010-11.
- **Insurance Premium Tax...** Anticipated receipts from the Insurance Premium Tax were slightly increased in response to changes in the underlying forecast for the property and casualty premiums.
- **Documentary Stamp and Intangibles Taxes...** Residential sales concentrated at lower price points are limiting the benefit from the higher than expected number of sales; however, Documentary Stamp Tax collections are not expected to decline as much as anticipated in December. The Intangibles Tax was continued at the current estimates.

Several of the larger downward revisions (notably Tobacco Taxes, Article V Fees & Transfers, and Highway Safety Licenses & Fees) are based on results of earlier conferences. Additional information regarding these sources can be found on the Legislative Office of Economic and Demographic Research's website: <http://edr.state.fl.us/conferences.htm>.

Underlying the forecast is the assumption that the extreme financial and economic stress that began over a year ago has reached its bottom. From this point forward, months of modest growth are expected before full recovery begins in earnest in the spring of 2011. Revenue collections are not anticipated to exceed the Fiscal Year 2005-06 level until Fiscal Year 2013-14.

FOOTNOTES

(A) The cash balance in the Budget Stabilization Fund (not shown here) at the time of this statement was \$274.7 million. This figure does not include the full repayment of hurricane-related budget amendments transferring funds to the Casualty Insurance Risk Management TF (EOG #2004-0483 for \$11.0 million and EOG #2005-0205 for \$11.8 million). At the time of this statement \$6.6 million remains to be repaid.

(B) The amount of \$1,072.4 million was transferred out of the Budget Stabilization Fund to the General Revenue Fund in FY 2008-09. Per the aforementioned statute, repayment would begin in FY2011-12 with annual installments in the amount of \$214.5 million.

(C) This financial statement is based on current law as it is currently administered. It does not include the potential effect of any legal actions which might affect revenues or appropriations. The Attorney General periodically issues an update on any such litigation. In addition, it does not recognize any deficits in any spending programs unless specifically stated.
