

Revenue Estimating Conference
Lottery Sales
November 30, 2011, updated for 2012 Session Law Changes
Executive Summary

Three provisions were passed during the 2012 Legislative Session which affected transfers from Lottery to the Educational Enhancement Trust Fund. HB843 allows the Lottery to install full service vending machines, while HB5001 (the Appropriations Act) provided the funding for 350 of those machines. HB5001 also provided funding for 350 additional full service terminals, and increased the Lottery advertising budget by \$4.0 million. The net result of those changes is to increase transfers to EETF by \$15.6 million in 2012-13, \$28.5 million in 2013-14, \$28.9 million in 2014-15, and \$29.2 million in 2015-16.
