

**Revenue Estimating Conference for Tobacco Settlement Payments**  
**February 22, 2019**  
**Executive Summary**

The Revenue Estimating Conference met on February 22, 2019, to adopt a new forecast of Tobacco Settlement payments for the 2018-19 through 2032-33 fiscal years.

Tobacco settlement payments accrue to the state from a legal settlement agreement made on August 25, 1997, in response to a lawsuit between the State of Florida and several major tobacco companies. An annual payment is due by December 31 of each year, and a profit adjustment payment is made following the end of the participating companies' fiscal years. Both payments continue in perpetuity.

The Conference package was revised beginning February 2019 to address the following issues, meaning that it is not strictly comparable to earlier releases. On January 18, 2017, the State of Florida filed a Motion to Join ITG Brands, LLC as a Defendant and to enforce the Settlement Agreement in State of Florida, et. al., v. Am. Tobacco Co., R.J. Reynolds Tobacco Co., et. al., No. 95-1466 AH (Fla. 15th Cir. Ct.). On August 18, 2018, the Circuit Court entered a final judgment specifying the principal sum and interest due from R.J. Reynolds to the State of Florida for the period June 12, 2015, through April 30, 2018. This judgment was based on the court's rulings issued December 27, 2017, and May 24, 2018, collectively known as the "Liability Orders." The final judgment also provided guidance on how any future unpaid liability to the State should be calculated. While there is agreement as to the methodology and number, R.J. Reynolds has appealed the final decision regarding its liability. In response, the Conference has reversed its prior treatment of approximating the unpaid liability, and instead has projected continued unpaid liability based on the calculation adopted in the final judgment and R.J. Reynolds' subsequent actions. Since the Circuit Court has found that R.J. Reynolds should continue to make all payments under the tobacco settlement agreement as if there had been no transfer of brands to ITG, the Conference assumes that the State will ultimately prevail. While identified, no award has been incorporated into the forecast because the timing is unknown; however, the Conference expects the State will be fully compensated for its unpaid liability. Through December 2018, R.J. Reynolds owed the State of Florida \$130.0 million in settlement-related payments, interest and unpaid liability.

For estimated total liability, the new forecast was adjusted based on the National Economic Estimating Conference results from February 13, 2019, and an updated Consumer Price Index series was used in the calculation beginning in FY 2018-19. Other adjustments to the forecast since the August 2018 Conference include the annual percent change in U.S. Cigarette Volume beginning in FY 2018-19. In large part, the adjusted forecast for expected payments reflects the Conference's belief that R.J. Reynolds will continue to accrue unpaid liability each year until the litigation has ended.

The table below shows the new projected amounts of settlement payments to the State of Florida and the change from the previous estimate.
