

**Revenue Estimating Conference
Tobacco Tax and Surcharge
Executive Summary
January, 2012, updated for 2012 Session Law Changes**

The Revenue Estimating Conference met concerning Tobacco Tax and Surcharge revenues on January 6, 2012. Based on recent trends in collections relative to the September 2011 estimate, the conference reduced both the forecast for Cigarette Tax and Surcharge collections and the forecast for Other Tobacco Products Tax and Surcharge unchanged. **HB7087 increased the distribution from Cigarette Excise Tax Collections to the H. Lee Moffitt Cancer Center and created a distribution to the Biomedical Research Trust fund, beginning in 2013-14. These changes result in a decrease in the distribution to General Revenue Fund. The table below shows the resulting distributions.**
